

FALL AND HOLIDAY SCHEDULE

Thanksgiving Day

The Thanksgiving holiday is on Thursday November 24 this year; the office will be closed and there will be no pick-up service that day.

Thursday's customers will receive pick-up service on Friday the 25th and Friday's customers will receive pick-up service on Saturday the 26th.

Christmas Day and New Years Day

Both Christmas and New Year's Day holidays falls on a Sunday this year, therefore, there will be **No Interruption** in garbage, recycling and greenwaste collection service.

HOLIDAY TREE DISPOSAL

Boy Scouts of America Tree Recycling Fundraiser

For a \$5.00 donation per tree, local Boy Scouts will pickup holiday trees from Dublin residents on Saturday, January 7, 2017. Reservations are required. To make a reservation, send an email to xmastreepickup@dublintroop905.org, or call (925) 967-2141.

Reservations will be taken through 3 p.m. January 6, 2017. Only clean trees will be accepted. No flocking or tinsel allowed. Please remove the tree base or stand.

Special Holiday Tree Pickup

You may place your holiday tree at the curb by 5:30 A.M. on your regular service day beginning December 26, 2016 through December 30, 2016. A truck exclusively for recycling holiday trees will collect the trees. Only clean trees will be taken (no flocking or tinsel). Please cut trees down to 4-feet or less in height. Please remove bases or stand.

Recycle Holiday Tree in Organics Cart

You may place your holiday tree into your Organics Cart along with acceptable yard trimmings anytime after the holiday. Your cart will be emptied on your regular service day. Only clean trees are accepted (no flocking or tinsel). Tree branches and stumps must be cut up in lengths that will allow the lid to securely close.

Non-Recyclable Flocked Tree or Trees with Tinsel

Amador Valley Industries can pick up your non-recyclable holiday tree. Please call (925) 479-9545 to arrange for disposal of your flocked or tinsel tree. An additional fee may apply, unless you use one of the three (3) Large Item Collections available to you per year at no cost.

We Want Our Service to Be The Best and You Can Help

Please place your carts at the curb edge with at least 3 feet of clearance from other objects, including other carts, basketball hoops and motor vehicles.

What Do I Put Into the Organics Cart?

The reason Organics Carts are so important is that using them helps divert materials away from our landfills which is better for the environment. Here is a list to help you use your cart efficiently. Thank you for helping us provide you with the best possible service.

Organics Acceptable List

- Grass and weed clippings
- Shrubs and tree prunings (less than 4" in diameter)
- Leaves, plants and flowers
- Food scraps and food soiled paper products

Non-acceptable Organics List

- No household garbage
- **No plastic bags**
- No dirt or rocks
- No overloading - lid must be closed

FALL AND WINTER RECYCLING TIPS!

Between Thanksgiving and New Year's Day, we traditionally produce 25 percent more trash, mostly wrapping paper, ribbons, party decorations and mail order catalogues that are the by-products of the holiday season. Nationwide we generate about 5 million tons of trash during the week following Christmas alone. So, here are a few tips from PGS to lighten the trash load.

Take Your Own Tote When Shopping Take a reusable tote bag when shopping for Christmas sales and avoid bringing home an armload of plastic or paper sacks.

Avoid Glossy Foil Wraps Foil wrapping paper may be attractive, but it cannot be recycled. It's environmentally sensible to buy wrap made of recycled paper. Or, avoid using commercial paper and substitute sheets of Sunday comics or glossy magazine pages to wrap packages. Cheery holiday gift bags are increasingly popular. Best of all, they can be used over and over again if they are folded and stored neatly from season to season.

Recycle Christmas Cards For Next Year Cut the fronts off this year's Christmas cards to reuse as holiday "postcards" next season. Postcards take up less room in mailbags and are far less expensive to mail. Or, send the fronts of Christmas cards to St. Jude's Ranch for Children, 100 St. Jude's St., Boulder City, Nevada 89005-1618 for recycling.

Remove Your Name From Unwanted Catalogue Lists The average American home receives more than 200 mail order catalogues each year, mostly at holiday time. Call the toll free number of catalogues that you no longer want and ask that your name be removed from mailing lists. Or, write to the Direct Marketing Association at P.O. Box 9008, Farmingdale, N.Y. 11735-9008 to have your name removed from third-class mailing lists.

Three "Buy Recycled" Myths

Recycled paper isn't as good as non recycled paper – Recycled content papers now share the same printing and performance characteristics as their virgin equivalent. You can now find recycled content papers with the same whiteness and brightness as virgin papers, plus the same level of runnability and high quality imaging on copiers, laser and ink jet printers.

Recycled products cost more – This used to be the case for some materials, but things have changed. Many recycled products are priced competitively with their non recycled counterparts. In fact, some may be less expensive!

Recycled products are inferior in quality – This is simply not true. Recycled products have the same quality, reliability, and dependability. A survey by the Buy Recycled Business Alliance asked hundreds of corporate purchasing agents about their satisfaction with recycled content products. The survey results showed that 97% of respondents were pleased with the performance of recycled content products.
