

BATTERY RECYCLING PROGRAM

**The Container is Located:
Leasing Office**

**AVI will empty this
container quarterly. If the
container is full, please
contact your property
manager.**

SAFETY FIRST!

PREP YOUR BATTERIES TO PREVENT FIRE HAZARDS

Use clear packing, non-conductive electrical, or duct tape to secure battery terminals, ensuring the label remains visible. For lithium-ion batteries, tape the battery terminals and/or place them in individual plastic bags.
